

# ISpy....

Enjoy the glimpses of wild landscapes at the Morris Thompson Cultural & Visitors Center.  
Take your time and explore each season.

## On your journey, find something...

- that needs the sunshine
- with a beak
- with sharp claws
- beautiful
- that changes color in the fall
- chewed by an animal
- a bear likes to eat
- you like to eat
- the color of snow
- only used in the wintertime
- very old
- made from an animal
- used to catch fish

The **BIGGEST** animal I saw was...

---

The **smallest** animal I saw was...

---

The coolest thing I **saw** was...

---

The coolest thing I **heard** was...

---
